SAFE HARBOR

- This presentation contains forward-looking statements regarding our business and future financial and operating results made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995.
- These forward-looking statements are based on management's current assumptions and expectations of future events. Actual events and results may differ from those predicted.
- Please refer to the cautionary statement and risk factors in our most recent annual report on Form 10-K, subsequent quarterly reports on Form 10-Q, and other filings with the Securities and Exchange Commission.
- This presentation also contains non-GAAP financial measures and more information about our use of such non-GAAP financial measures, as well as a reconciliation of the most directly comparable historical U.S. GAAP financial measures to the corresponding historical non-GAAP financial measures, can be found in our related financial filings in the section titled "Non-GAAP Financial Measures".
